

OFFICE OF GENERAL COUNSEL

Counsel for Campus Creatives

The Office of General Counsel has been pleased to host several Counsel for Campus Creatives (“CCC”) events on issues of interest to creative members of the campus community, including ways to protect original works while growing a creative business. At these events, OGC lawyers have provided general educational information and resources on legal topics such as Copyright, Trademark, Licensing, and other Contracts.

OGC would be pleased to consider additional requests for CCC events or other resources and materials. If schedules permit, we may be able to customize a presentation for an academic department, student organization, or other group of "creatives" on campus.

For more information, please email ogccampuscreatives@umd.edu.
